

CALL FOR TENDERS

Provision of Impact Statement for review of ozone, nitrogen dioxide and sulfur dioxide standards in the National Environment Protection (Ambient Air Quality) Measure

Environment Protection Authority (EPA) Victoria is calling for tenders for the provision of an Impact Statement for review of ozone, nitrogen dioxide and sulfur dioxide standards in the National Environment Protection (Ambient Air Quality) Measure.

Tender briefing information and documentation including the specification, selection criteria and submission requirements can be obtained from <https://www.tenders.vic.gov.au/>.

The tender closes on Thursday, 3 September 2015 at 3.00 p.m. (Australian Eastern Standard Time).

Email tender queries to aaqnepm@epa.vic.gov.au for the attention of Melanie Middleton, Project Lead.
